WE KEEP YOU MOVING FORWARD

WELCOME TO AMEX

Welcome to Amex Truck Parts!

On behalf of our entire team, we extend a warm greeting and are privileged to serve you. Since 2012, Amex has specialised in importing and distributing OE and aftermarket parts for renowned truck brands such as MAN, Mercedes-Benz, Scania, and Volvo. Over the years, we've expanded our offerings to include additional truck brands and ventured into trailer parts and braking repair services.

At Amex, our commitment to excellence is unwavering. We prioritise partnerships with leading manufacturers and continuously seek innovative solutions to provide cost-effective alternatives through our own branded parts.

Recognizing the importance of your business, our dedicated team is focused on ensuring your complete satisfaction. From competitive pricing and swift delivery to 24-hour emergency services, we go above and beyond to exceed your expectations.

Thank you for choosing Amex Truck Parts. We are honoured to be your trusted partner for all your truck service and repair needs. Visit one of our branches in Vereeniging, Alberton, or Bloemfontein, or reach out to us for nationwide delivery.

THE AMEX BRAND

Since 2020, we have proudly introduced our brand of filters to the automotive market. Building upon this foundation, we have strategically expanded our product range to encompass a comprehensive selection of automotive components, including filters, engine parts, cooling systems, suspension components, and body parts.

This deliberate diversification reflects our commitment to meeting the diverse needs of our customers while maintaining the highest standards of quality and performance.

By offering a cohesive suite of products under our trusted brand, we have established ourselves as a reliable and innovative partner in the automotive industry.

Our dedication to excellence extends beyond individual products to encompass the entire customer experience, ensuring satisfaction at every touchpoint. With a focus on continual improvement and customer-centric solutions, we are poised to lead and thrive in a dynamic and competitive marketplace.

TRAILER & BRAKES

In 2023, in response to the increasing demand for comprehensive customer service within the automotive sector, we strategically expanded our offerings. Introducing Amex Friction and Trailer, we set out to cater to the distinct needs of truck and trailer owners by offering specialised services tailored to their requirements.

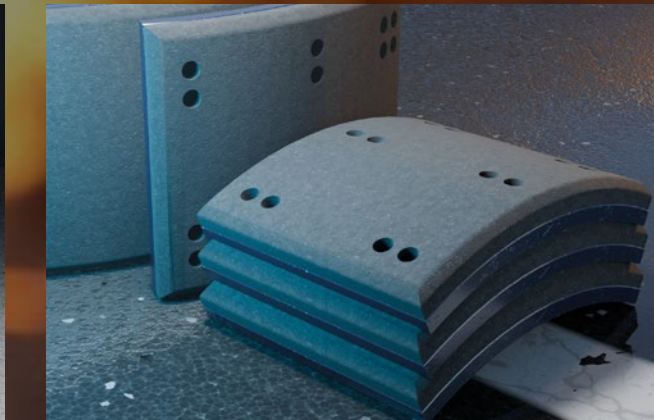

This latest addition to our portfolio includes truck and trailer disc skimming services, dedicated to optimising performance and ensuring safety on the road.

Furthermore, we provide expert relining services for brake shoes and parts designed for a variety of truck trailers, thereby improving the efficiency and lifespan of braking systems.

At Amex Friction and Trailer, customers can anticipate the same level of commitment to quality, dependability, and customer satisfaction that characterises our brand in all our endeavours.
