FORWARD**

AMEX GROUP COMPANY PROFILE

We are a multi-division supplier of truck parts, friction solutions, industrial equipment, and distribution services across South Africa and neighbouring regions. Established in 2012, the group has grown from a single operation in Vereeniging into a trusted national brand with branches in Vereeniging, Alberton.

Through its specialised divisions — Amex Truck Parts, Amex Friction and Amex Supplies — the group delivers a complete, end-to-end solution for transport fleets, workshops, industrial plants, and mining operations.

Amex is built on a simple promise:

Quality products. Reliable service. Consistent value.

ABOUT COMPANY

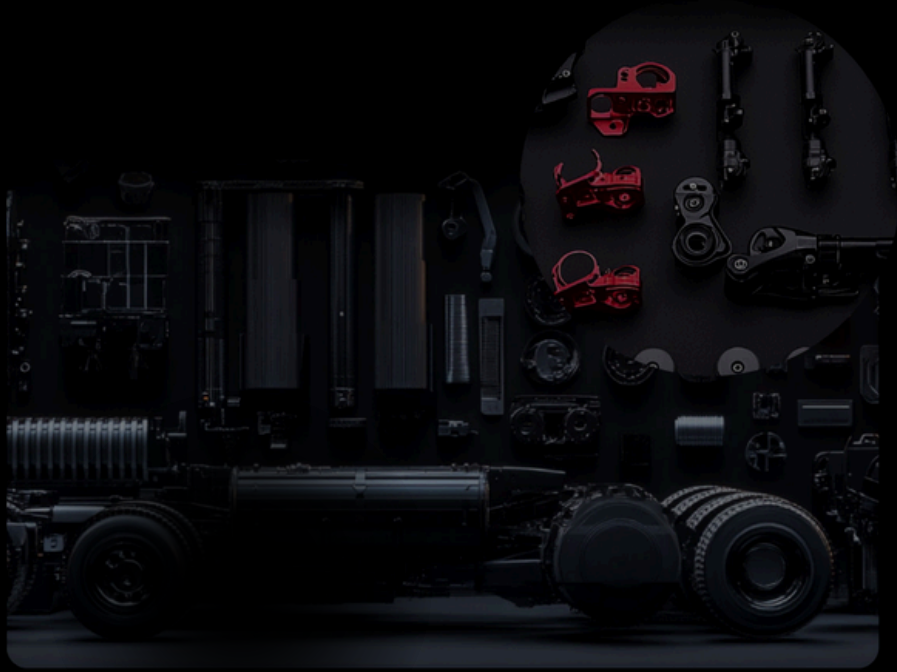

Registered with the Registrar of Companies

Established in 2012, Amex Distributors (Pty) Ltd has grown into a trusted name in the truck, trailer, and industrial parts industry, with branches in Vereeniging, Alberton. Supplying high-quality OE and aftermarket parts for brands such as MAN, Mercedes-Benz, Scania, and Volvo, we also import and export across neighbouring countries. To meet the growing demand for trailer solutions, we launched Amex Friction, offering specialized services like drum and flywheel skimming, brake shoe relining, calliper and 5th wheel repairs, and press work.

- **Importing OE and aftermarket truck parts**
- **Exporting to neighbouring African countries**
- **Supplying all Amex divisions**
- **Maintaining supplier relationships with global manufacturers**

VISION & MISSION

Vision

To be South Africa's most trusted and innovative partner for truck, trailer, friction, and industrial supply solutions.

Mission

- Provide high-quality OE and aftermarket products
- Deliver expert technical support and customer service
- Maintain competitive pricing without compromising standards
- Build long-term partnerships across transport, industrial, and mining sectors
- Continuously expand product ranges to meet evolving market needs

CORE VALUES

- **Quality** – Products sourced from reputable global manufacturers
- **Integrity** – Ethical, transparent business practices
- **Reliability** – Consistent stock availability and dependable service
- **Innovation** – Adapting to industry needs with modern solutions
- **Customer Focus** – Service that goes beyond the sale

ABOUT COMPANY

Amex has a wide selection of truck mechanical, electrical and body parts. The Amex Truck Parts brand has been built on strong partnerships with dynamic importers and established international manufacturers.

Our products provide a high level of quality and value to customers. Being a sole distributor to a number of leading brands ensure that we offer a range of unique products within the South African marketplace. Amex continuously strives to grow and improve our product range, high service level and quality.

“Excellence” is at the core of everything we do and we continuously strive to supply the best quality products at a competitive price to our customers. We ensure that our high service standards are maintained at all times. We fully understand the importance of our customer’s business and will continue to strive to remain the first choice for all truck services and repairs.

Amex Truck Parts specialises in the import, distribution and reselling of quality OE and aftermarket replacement truck parts for MAN, Mercedes-Benz, Scania and Volvo and other truck brands.

PRODUCT RANGE

Part of our offering includes reputable German manufactured brands and our wider product range includes all major components, mechanical and body parts for aftermarket repairs on trucks. All our parts are backed by the manufacturer's warranty of between 6 and 12 months.

OUR PRODUCT RANGE INCLUDE:

- Engine & Cooling parts
- Transmission & Shifting parts
- Suspension, Front and Rear Axle parts
- Air & Valve parts
- All Filters
- Brake Systems
- Interior & Exterior Body parts

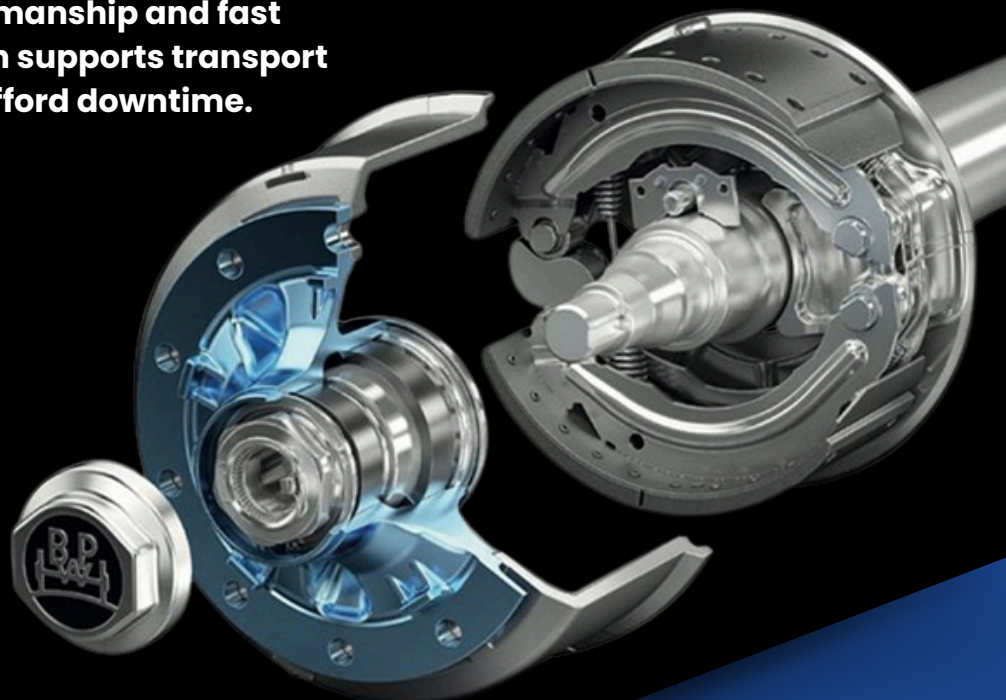

ABOUT COMPANY

At Amex Friction & Trailer, we're dedicated to keeping your fleet performing at its best. With years of hands-on experience in truck and trailer braking systems, we've built a reputation for quality workmanship, reliable products, and competitive pricing.

For us, "We Keep You Moving" is more than a slogan — it's a promise. Every service, every repair, and every component is delivered with the goal of ensuring safety, durability, and long-term value for your fleet.

Known for precision workmanship and fast turnaround, Amex Friction supports transport companies that cannot afford downtime.

BRAKE DRUM, SKIMMING & LININGS

We specialise in complete braking solutions designed to restore performance and extend component life.

- Supply of new brake drums and precision drum skimming
- New brake linings and expert relining of worn brake shoes
